**Struttura:** in legno di abete con molleggio incrociato a cinghie elastiche con diversa componente di caucciù. Imbottitura in poliuretano espanso a quote differenziate e rivestimento in vellutino bianco.

**Cuscino seduta:** trapuntino in vera piuma canalizzata e ipoallergenica divisa a scomparti ortogonali. Inserto in poliuretano espanso con bombatura a quote differenziate sagomato con macchina a 3 assi e lavorato successivamente a mano per potersi adattare al movimento dello schienale.

**Cuscino schienale:** imbottito a scomparti in Piumafib, una speciale miscela ipoallergenica di vera piuma e fibra di poliestere siliconata cava. Schienale per movimento in acciaio verniciato, imbottito con poliuretano espanso e rivestito da fibra di poliestere accoppiata con poliuretano di forte spessore.

**Rivestimento:** in tessuto completamente sfoderabile o in pelle naturale non sfoderabile. Cuscino Schienale e Cuscino Seduta sfoderabili in entrambe le versioni.

**Piede:** tubolare in acciaio cromato con distanziale in legno di faggio verniciato h 6 cm (Codice A), o piede in legno di faggio verniciato h 6 cm (Codice B).

**Finiture sartoriali:** in tessuto cucitura Costina, Pizzicato; in pelle Costina, Taglio vivo. Specificare sempre nell'ordine la finitura sartoriale.

Modello componibile con Butterfly, Butterfly 110 e Butterfly 120.

**Structure:** in spruce wood with springing on elastic belts with different rubber components. Padding in differentiated-density polyurethane foam and white velvet coating.

**Seat cushion:** quilt in real canalized and hypoallergenic feather divided into orthogonal compartments. Polyurethane foam insert with a differentiated-shaped camber shaped with a 3-axis machine and subsequently worked by hand to adapt to the movement of the backrest.

**Back cushion:** padded with compartments in Piumafib, a special hypoallergenic mixture of real down and siliconed hollow polyester fiber. Movement back in painted steel, padded with polyurethane foam and covered with polyester fiber coupled with thick polyurethane.

**Cover:** in completely removable fabric or in non-removable natural leather. Back and Seat Cushion with removable covers in both versions.

**Foot:** tubular chromed steel with spacer in beech wood varnished h 6 cm (Code A), or foot in varnished beech wood h 6 cm (Code B).

**Tailored finishes:** in Stitched Costina fabric, Pizzicato; in Ribbed leather, Vivid cut. Always specify the sartorial finish in order.

Modular model with Butterfly, Butterfly 110 and Butterfly 120.
