# BAND scheda tecnica

**Struttura:** perimetrale in legno e derivati con fodera in accoppiato di poliuretano espanso ad alta densità. Testata in legno e imbottitura in poliuretano espanso sagomato ricoperta da vellutino bianco in fibra termolegata. Rete a doghe in legno di faggio evaporato con cinghiatura per tensionamento uniforme.  
Disponibile nella versione con contenitore.

**Rivestimento:** in tessuto comodamente sfoderabile o in pelle naturale non sfoderabile.  
Giroletto sfoderabile in entrambe le versioni.

**Piede:** non a vista in legno di faggio tornito e verniciato color wengè in altezza 4 cm (Codice A) e in altezza 8 cm (Codice B).

**Structure:** perimeter in wood and derivatives with high density expanded polyurethane lining. Wooden headboard and padding in shaped polyurethane foam covered with white velveteen in thermo-bonded fibre. Slatted base in evaporated beech wood with straps for uniform tension. Available in the version with container.

**Coating:** in comfortably removable fabric or in non-removable natural leather.  
Bed frame with removable cover in both versions.

**Foot:** not visible in turned beech wood, painted in wenge color, 4 cm high (Code A) and 8 cm high (Code B).
