scheda
tecnica

Struttura: in legno di multistrato, con molleggio incrociato a cinghie elastiche con diversa componente di caucciù. Imbottitura in poliuretano espanso a quote differenziate e rivestimento in vellutino ad alta densità.

Cuscino Seduta: reversibile poiché imbottito in poliuretano espanso a 2 densità, un lato memory super soffice e un lato sostenuto. Rivestito con fodera in fiocco termolegante, testato secondo Oeko-Tex Standard 100 di forte spessore.

Cuscino Schienale: in ferro verniciato con bombature in memory super soffice a quote differenziate. Meccanismo a frizione che facilita l'inclinazione dello schienale mantenendo il nostro peso in diverse posizioni. Le due estremità del cuscino sono orientabili indipendentemente e rivestite con fodera in fiocco termolegante, testato secondo Oeko-Tex Standard 100 di forte spessore.

Rivestimento: in tessuto completamente sfoderabile o in pelle naturale non sfoderabile. Cuscino Schienale e Cuscino Seduta sfoderabili in entrambe le versioni. I braccioli e gli schienali sono sfilabili dalla base per una più rapida sfoderabilità.

Piede: in fusione di alluminio bronzato h 18 cm. Le composizioni angolari si ottengono accostando tra di loro i vari elementi sostituendo il bracciolo con il cuscino schienale.

Structure: in plywood, with cross suspension elastic straps with different component of rubber. Padding in polyurethane foam with differentiated dimensions and coating in high density velvet.

Seat cushion: reversible because padded with 2 density polyurethane foam, a super soft memory side and a supported side. Coated with heat-resistant staple lining, tested according to Oeko-Tex Standard 100 of strong thickness.

Back cushion: in painted iron with super soft memory bombatures at different heights. Friction mechanism that facilitates the tilting of the backrest maintaining our weight in different positions. The two ends of the cushion are independently orientable and coated with a heat-resistant staple lining, tested according to Oeko-Tex Standard 100.

Cover: in fabric completely removable or natural leather not removable. Back Cushion and Seat Cushion removable in both versions. The armrests and backrest are removable from the base for a faster removable.

Foot: in cast bronzed aluminum h 18 cm. The corner compositions are obtained by combining the various elements and replacing the armrest with the back cushion.
